Message

“A Disciple's Guide to Fine Dining”

Rev. John Cook

“Like newborn infants, long for the pure spiritual milk, that by it you may grow up into salvation.” - 1 Peter 2:2

For the past seventy-five years, God has established **Unionville Alliance Church** as a place of growth for many.

Spiritual Growth does not happen accidentally.

For growth there must be **eating**.

For eating there must be **appetite**.

For appetite there must be a **supply**.

This supply is found in the word of God.
